**Re: Protecting the Privacy of Customers of Broadband and Other Telecommunications  
Services, WC Docket No. 16-106**

Dear Ms. Dortch:

On October 20, 2016, Scott Meyer, Chief Executive Officer, Ghostery, and Chris Olsen of Wilson Sonsini Goodrich & Rosati, had separate meetings with the following groups of individuals: Ruth Milkman and Stephanie Weiner from Chairman Wheeler's office along with Matt DelNero and Lisa Hone of the Wireline Competition Bureau; Commissioner Rosenworcel and Travis Litman; Commissioner O'Rielly and Amy Bender; and Claude Aiken in Commissioner Clyburn's office. We discussed the services that Ghostery provides to consumers and businesses and its experience with transparency and consumer control mechanisms. We discussed opt-in and opt-out approaches for consumer control, and we distributed and discussed the attached presentation.

Please direct any questions regarding this matter to the undersigned.

Respectfully submitted,

  
Christopher N. Olsen
